MEMORANDUM FOR: Director of Development & Procurement, DPS/DCI
Attention:

SUBJECT : Additional Obligations for Project CHAMPION

1. Prior to our recent discussions I had already approved the obligation of \$30,000 additional for CHAMPION as follows:

- a. Marquardt for additional engine development - \$10,000
- b. Boeing for study of carrier aircraft - \$20,000

2. In recent discussions we agreed that a further \$35,000 should be obligated for this Project as follows:

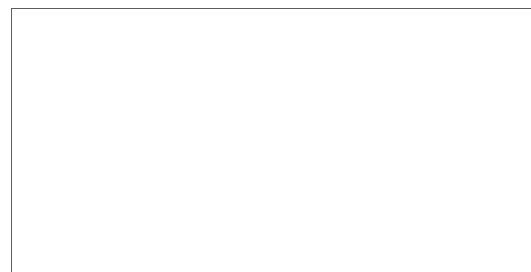

- a. Convair for optimization studies - \$35,000.
- b. Marquardt for engine design study - \$35,000.
- c. Goodyear for continuing structural material study - \$15,000.

3. This memorandum will confirm my approval of the above additional obligations for CHAMPION totaling \$115,000. The DCI has now indicated his approval of DPS-3074 which authorizes the obligation of funds for this (and other projects) out of the allotment now available to us. Accordingly appropriate contractual arrangements should go forward.
